## President's Message

Hello to all Members and Friends of the Iowa Shorthorn Association.

This newsletter hopefully finds you getting your entries submitted to consign in the Great Iowa Royal Shorthorn Sale held during the 2011 Iowa Beef Expo.

Remember to also plan on coming to the annual supper on Monday night—more details to follow on the banquet—be watching the website for more details.

We look forward to having a big sale again this year of Purebred Bulls, Heifers, Bred Heifers and also Shorthorn Plus Bulls, Heifers and Bred Heifers. Remember that you can also submit for consignment- semen, embryos, and flushes.

There are many ways to get your product to the customers!

I hope that everyone had a great fall. There were lots of things going on—production sales, harvesting of crops, and getting ready for fall shows to just name a few.

Congratulations to all of our Iowa members that had show entries and/or consignments to NAILE at Louisville this year. Shorthorns are going strong and everyone's efforts to promote the breed are appreciated.

I want to close by taking a moment to list the other directors and their contact numbers—we want your feedback about what you want YOUR Association to be doing in Iowa. Get a hold of these directors and give them your ideas!
